

PATCHWORK CHRISTMAS STOCKING-check out www.carolynscanvas.blogspot.com for photos and video tutorial on this and other crafts

For the patchwork Christmas stocking you will need:

patchwork Christmas stocking pattern available @: AllFreeHolidayCrafts.com

½ yard fabrics for patchwork

½ yard fabric to fuse patchwork

½ yard lining [suggested fabric: felt]

fusible paper backed webbing

[optional]-trims: fringe, sequins, beads, appliques, etc.

sewing tools

1. print pattern-tape pages together
2. fuse fusible web to back of fabrics for patchwork
3. cut patchwork fabric into patches-fuse onto base fabric
4. cut stocking and cuff pattern from fabric and lining material
5. place cuff and lining together, right sides
6. sew bottoms together, turn, press
7. [optional] sew fringe or other trim along bottom of cuff
8. starting at front of lining, right sides facing, sew with 1/4" seam around stocking, leave 8" opening in back for turning. Trim seam
9. Starting at front of main fabric, right sides facing, sew with 1/4" seam around stocking, leave 8" opening in back for turning. Trim seam
10. Place top of cuff along top of stocking, cuff lining facing right side of stocking, place top of lining along top of stocking and cuff, right side of lining facing right side of cuff [seam side out] sew across top of stocking.
11. Finish sewing back of stocking seam, sewing cuff seams into stocking seam
12. Turn stocking right side out through 8" opening in lining

13. Turn lining right side out, sew opening
14. Maneuver lining into stocking
15. Embellish as desired.
